

-

Our school offers the **translation services** in different fields — documents, texts, websites, business letters. Qualified philologists will translate your documents from Russian into English and backward.

-

The **price is calculated** on the basis of 1 printed page (1800 symbols with spaces). The minimum size is 0,5 of page.

-

The **price includes** editing and proofreading. In case of specific texts the price may vary.

English — Russian

13 EUR

Russian — English

15 EUR

Japanese - Russian / English - Japanese
ask for price

We also perform oral translation in Japanese - Russian / English - Japanese.

Ask for a price quotation!

Procedure

-

In order to get the **price quotation**, please send us the text you would like to get translated to info@jelschool.eu and mention the language the document should be translated to. Your text will be examined and you will get the price quotation within one working day. As soon as you confirm the price by e-mail, the text will be sent for translation. Translated text will be sent to you back by e-mail with the bill.
